

SMARTINNO PRESENTS

International Scientific Conference
"EU FUTURE PERSPECTIVES: INNOVATION, ENTREPRENEURSHIP & ECONOMIC POLICY"

Conference „European Union Future Perspectives: Innovation, Entrepreneurship and Economic Policy“ is a result of activity within the project SMART INNO, which is co-funded by the European Union through the 'IPA Adriatic Cross-border Cooperation Program 2007-2013" in the framework of first call for strategic projects. It is organized by Juraj Dobrila University of Pula and Istrian Development Agency (IDA d.o.o.), as SMARTINNO Croatian project partners. The main goal of the SMART INNO project is to develop a smart networking system for monitoring and fostering research & innovation capacity in SMEs across Adriatic Region. The SMART INNO Consortium is composed by 18 partners coming from 8 Adriatic Countries (Italy, Albania, Bosnia-Herzegovina, Croatia, Greece, Montenegro, Serbia, Slovenia).

Such Consortium includes relevant actors from different fields: regional authorities, chambers of commerce, innovation and technology transfer centres, regional development agencies, a University with scientific innovation capacities, a SME specialized in cluster organization and an NGO focusing on EU regional cooperation. The purpose of the International scientific is to discuss various ideas,

various paths on micro and macro level related with innovation and entrepreneurship that could lead EU economies towards a higher level of employment and welfare. The Conference covers topics from all fields in economics and interrelated fields that elaborate topics related with innovation, entrepreneurship and economic policy in the European Union.

SMARTINNO

The project is co-funded by the European Union, Instrument for Pre-Accession Assistance.
