# THE SUSTAINABLE TOURISM MISSION IS CO-FEATURED by Dialogue4Tourism

### OUR PROJECT

The Institutional Dialogue Project of Interreg Euro-MED on enhancing sustainable tourism addresses transnational coordination of governance throughout the Mediterranean area by reinforcing the visibility of the Euro-MED Sustainable Tourism Thematic Community's results. Our aim is to engage policy key actors through advocacy and transferring actions for this purpose. This project increases not only the coordination and institutional capacity of public authorities, programmes, strategies, decision-making networks and funding mechanisms in the Euro-MED cooperation area, but also in the Southern and Eastern Mediterranean regions. This ensures tourism to become greener, smarter and more sustainable.
